Local Business Relief Coalition: Introduction of EHR Sharing Companion Legislation – S.8203 Bailey

The following statement can be attributed to the Local Business Relief Coalition

"The Local Business Relief Coalition applauds Senator Jamaal Bailey, Chair of the Senate Insurance Committee, for introducing and championing Senate Bill S.8203, which mirrors New York State Assemblymember John McDonald's legislation (A.7981) to modernize Electronic Health Records (EHR) sharing in New York.

This legislation will simplify health information exchange between hospitals and health plans to cut costs, ease administrative burdens, and most of all, improve care for patients."
